Tail Twister

Alan Ducastel,
Lion Tamer

Larry C. Sparkes,
Membership Director

Holli Denson,
Publicity Director

Eric Schuman, PDG,
Immediate Past President

Mtgs Moved To Wednesdays

The board voted at the last meeting to change our meeting day from Thursday to Wednesday, and to move the location to Twiliger's Tavern downtown from the elementary school. The times will stay the same. While not a unanimous vote, the majority does rule.

Library Donation

Your club recently had the pleasure of welcoming Sandy Chavez, City Librarian, to a club meeting for a program. She provided information regarding the library and how many people still use it. She also spoke of acquiring new pc's, and thanked our club for previous donations.

She then requested a donation from us for more e-books. We have donated funds for the past 4 years to this program. After the regular meeting, the board voted to donate \$2,000 to the program. Shown below is Treasurer Mike Danek presenting the check to Sandy recently.

January Spaghetti Dinner

We served 141 dinner, had plenty of help from the club. A good service project. Remember, 2/18 is the next one and we'll need help then too. Any time after 4:00pm.

Paws For A Cause

Paws for a Cause's representative was our guest speaker at the November 14 meeting.

Much valuable information was given about this great program and what it can do to help blind and disabled persons.

She did make note that PFAC was not in competition with our own Leader Dogs for the Blind. Afterwards, she was presented with a speaker's gift

Xmas at Ovid

Our club held it's annual Christmas party meeting at the Ovid Lions Hall on December 14.

Chairpersons Lori St. Clair and Deanna Schuman set the stage for a fun night with two Lions puzzles and a silent auction. This coupled with a great dinner made for a fun evening for those that attended.

Board Action

Your board voted to give the LCS \$1,000 for their trip, and also \$1,000 for another gaga pit at the elementary school giving them 2. They voted to give \$200 to a youth rabbit/squirrel hunt group for prizes for the kids, they also purchased 2 more tickets for the LEAF raffle with the same stipulations as in the past.

It was also announced that Springtime Festival raffle tickets are being distributed by Chair Lori St. Clair now, and to start selling them. Remember, we have a big prize this year along with cash awards to winners.

In other board activity, meeting places and days were discussed again, as well as our next poker event which is coming up real soon.
